COVID-19 Vaccination Policy

Beginning Monday, **November 1st**, all individuals over the age of 17 will be required to show proof of full vaccination each time when entering the LSA premises. You may present your New York State Excelsior Pass, NYC COVID Safe app, or your vaccination card for building and program entry. Please also bring a valid photo ID to show for entry.

Parents and caregivers accompanying children to LSA classes must show proof of vaccination in order to enter the building, even if the class is a drop-off.

**Mask Policy**

Masks, which fully cover your nose and mouth, are required in all areas of LSA, including the entry, lobby, hallways, elevators, and program spaces, especially where it’s difficult to maintain social distance, and where children may be present.

In children’s programs, masks are required for all adults, children over age 2, instructors, and any support staff present.

We appreciate everyone’s cooperation with these policies which are intended to keep our community safe & healthy.
